Copy of letter from G.W.Wells, Esq., M.A., I.C.S., Collector of South Kanara, Ref.C.No.4295-23-A 1, dated the 6th December 1923.

In their order No.Mis.1526 dated 10th October 1923 the Government sanctioned the employment for a period of 3 months of a Special staff consisting of a Tahsildar, four Revenue Inspectors, one clerk and six peons in connection with the relief of distress caused by floods in this District.

2. The Special Officer appointed for the work entered upon his duties on the afternoon of the 12th October 1923. A resume of the work done during the last 2 months has been submitted by him and a copy of it is herewith submitted for the information of the Board. It will be seen from the report that every endeavour has been made to impart to the people the benefits of the various relief measures sanctioned by Government in their orders No.1426 Press, dated 2nd October 1923 and No.1495 Press, dated 3rd October 1923. A detailed report on the work done under each head will be submitted at the end of the third month.

3. In regard to the grant of loans at the reduced rate of 4 per cent interest sanctioned in G.O.No.1495 Press, dated 3rd October 1923 the tabulated statement in para. 8 of the Special Officer's report will show that in all 832 applications have been filed up to date of which 201 were rejected, 108 have been sanctioned and 523 are pending. It will not be possible to dispose of the 523 pending applications and more than ~~that~~ may be received hereafter, by the 12th January 1924 on which date the sanction for the staff expires. I recommend therefore that the continuance of the Special establishment till the end of April next may be sanctioned.

4. Of the one lakh of rupees sanctioned by Government for disbursement under the two Loans Acts, the 108 applications already sanctioned have absorbed as much as Rs.77,750 leaving a balance of only Rs.22,250 while the aggregate of the loans applied for in the 523 applications now pending enquiry, amounts to over ^{R.}3 lakhs. In the G.O. referred to above the Government have ordered that the

the maximum amount up to which loans will be granted at this

favourable rate of interest will be Rs. one lakh in the first

instance and I have been directed to address Government later

on if a larger amount is found necessary. I am of opinion

that there is a demand from deserving persons for at least

one lakh more at the favourable rate of interest and I request

therefore that the Government may be pleased to sanction a fur-

ther sum of one lakh for disbursement under the two Loans

Acts at the rate of 4 per cent interest.

5. As the term of office of the Special Officer expires

on the 12th January 1924 orders extending the period of employ-

ment of the Special staff till the end of April next may

kindly be communicated ~~xx~~ so as to reach me by the end of this

month
